Name: _____

PLEASE NOTE: If or when the above-described pet dies and you want to replace it, you **MUST** go through the re-registration and approval process **BEFORE** bringing another pet into your residence.

Below are provisions by which you must abide regarding the conduct of you and your pet:

A pet must not be walked on park streets. It is to be taken off park property to be toileted.

Park lawns are not to be used by any pet for any reason.

Homeowners must pick up after the pet and keep premises free of droppings and odor.

- (a) Pets ARE NOT to be left outside of the coach unless accompanied by resident.
- (b) Food and water for pets MUST NOT be left outside overnight.

Your pet must remain at all times within your property lines (except when transporting in and out of the park).

If your pet is reported as a nuisance (barking, meowing, etc.), you must mitigate the problem. If the pet still continues to be a nuisance, you must remove it from your property.

You may have only one pet residing within your property.

No placard or signs on any part of your property can indicate that you have a pet on the premises.

By my signature below, I certify that I have read the forgoing provisions regarding having a pet on my property, and I agree to abide by these provisions.
